# About the Company

Tembo Drilling Services Limited is a Tanzanian-owned drilling and exploration company providing professional services to the mining, geological, and engineering sectors across East and Central Africa.

The company specializes in delivering reliable and efficient drilling solutions, supported by modern equipment and a team of experienced professionals.

With a strong presence in countries such as Tanzania, Uganda, Rwanda, and the Democratic Republic of Congo, Tembo Drilling Services has built a reputation for quality service, operational excellence, and commitment to safety in all its projects.

The company is committed to delivering high-quality services that meet industry standards while ensuring safety, accuracy, and client satisfaction at every stage of the project.

# Mission, Vision and Core Values

## Mission

To provide efficient, safe, and cost-effective drilling solutions that support our clients in discovering and developing mineral resources sustainably.

## Vision

To become a leading drilling and exploration services provider in Africa, recognized for innovation, safety, and quality service delivery.

## Core Values

Safety, Integrity, Teamwork, Professionalism, Innovation, Reliability, and Sustainability.

## Our Commitment

Precision Below the Surface.  
Excellence Above It.

At Tembo Drilling Services Limited, we combine technical expertise, operational discipline, and regional knowledge to deliver drilling solutions our clients can trust.

# Why Choose Tembo Drilling Services

## Safety First

We maintain strict HSE standards and operational risk controls.

## Experienced Team

Our technical crew consists of qualified drillers, engineers, and field professionals.

## Modern Equipment

Reliable rigs, tools, and support systems suited for challenging geological conditions.

*Precision Below the  
Surface.  
Excellence Above It.*

## Regional Reach

Supporting projects across Tanzania and neighboring countries. External trade data suggests activity linked with regional markets including Uganda and Kenya.

## Quality Delivery

We focus on accuracy, productivity, and client satisfaction.

# Core Services

## Exploration Drilling

- Diamond Core Drilling
- Reverse Circulation (RC) Drilling
- Air Core Drilling
- Grade Control Drilling
- Blast Hole Drilling

## Mining Support Services

- Geotechnical Site Investigation
- Soil and Rock Sampling
- Borehole Logging
- Ground Stability Assessments

## Geotechnical Services

- Geotechnical Site Investigation
- Soil and Rock Sampling
- Borehole Logging
- Ground Stability Assessments

## Technical Support

- Project Planning & Supervision
- Drilling Program Management
- Data Collection & Reporting
- QA/QC Support

# Projects & Experiences

## 1. Working History-United Republic of Tanzania

- State Mining Corporation  
Plot No: 417/418 United Nations  
Road  
P.O. Box 4958  
**Dar es Salaam-Tanzania**
- Nazareth Mining and Investment  
Co. Ltd  
P.O. Box Ruangwa  
**Lindi-Tanzania**

## 2. Working History-Republic of Uganda

- Great Rift Geosciences (Canada)  
P.O. Box  
**Kampala-Uganda**
- Sipa Exploration Uganda Ltd  
P.O. Box  
**Kampala-Uganda**

## 3. Working History-Republic of Rwanda

- Tri Metals Rwanda Ltd  
MIC Building 4th Floor; Office F4 - 12  
P.O. Box 1723  
**Kigali-Rwanda**

## 4. Working History-Democratic Republic of Congo-DRC

- Kito International Sarl  
No 2 Avenue Haute, Tension,  
Munua Quarter,  
Annex Commune, Lubumbashi,  
Haut-Katanga Province  
**Republique Democratique du Congo**
- Oludo-Lambert Mining JV with  
Paragon Mining  
Kipushi Tailings Project.  
**Republique Democratique du  
Congo**
- Samta Natural Resources Congo SAS  
Lubumbashi  
**Republique Democratique du Congo**

**Competitive Advantage:** Skilled Technical Workforce, Reliable Equipment Fleet, Cost-Effective Solutions, Strong Regional Logistics Support and Client-Focused Service Delivery

# Creative Team

At Tembo Drilling Services Limited, our operations are guided by three core principles: Safety, Operational Excellence, and Sustainability. Safety is our culture, ensuring all activities meet strict health, safety, and environmental standards.

## Director's Message

We are committed to delivering reliable and high-quality drilling services through technical expertise and efficient project execution. At the same time, we invest in modern technology and empower our local workforce to drive growth and long-term impact.

With a strong focus on innovation, professionalism, and integrity, we strive to exceed client expectations and remain a trusted partner in exploration and mining services.
